Hello:

My best wishes to all during these incredibly stressful times. I hope everyone is coping and staying healthy!

I have been delaying sending out this newsletter, hoping to have concrete decisions about upcoming events, but things were changing on a daily basis. This email reflects status to date.

See attached for the minutes to the most recent Executive meeting (bear in mind that decisions have been made since this meeting). I've also attached the financial report (please note there are still scholarship cheques not cashed).

Provincial Council Matters for Voting: You will have received this information from the Secretary Treasurer of the Provincial Council. This is your first reminder to send your vote by email to me.

Facebook: We invite you to like and follow our Facebook page: search for ORMTA Etobicoke Mississauga or [@ormtaetobcokemississauga](#). Please send your upcoming events or any other announcements (this is where you get to brag!) about your studio. Be sure to get permission from the students' (parents) to post photos or names. Submit to Abigail Freeman: abigailfreeman@rogers.com or post directly on to our facebook page.

Scholarship Fund: Please donate to our scholarship fund. Income tax receipts are given out for all donations over \$20.

The next newsletter will be after the Executive meeting in May.

Take care,

Lynne
