

Etobicoke-Mississauga Branch is hosting a Workshop:

Millar Piano Duo: Gregory Millar & Lisa Raposa

PIANO IN PAIRS: INTRODUCING STUDENTS OF ALL LEVELS TO THE ART OF PLAYING DUETS

The playing of four-hand duets is a practical and long-standing way for piano students to gain valuable experience in ensemble music making. Yet pairing up students, even within a private studio, is not always a straightforward task. What types of students will work well together? How are practice sessions arranged? Do students have to be at the same level? Siblings? Twins? This workshop, presented by the Millar Piano Duo, will examine these questions as well as explore age/level appropriate repertoire suitable for competitive classes, festivals or just for fun!

The Millar Piano Duo has been giving high-energy performances since 2008, appearing on several series including Westwood Concerts (Toronto), Tapestry Concerts (Lancaster, ON), Sunday Rendez-vous at Stewart Hall (Pointe-Claire, QC), and the Arlene Kies Piano Recital and Master Class Series at the University of New Hampshire.
